MARKET GOSSIP

Jim Butler again leaped into the limelight today, opening at 65c and closing at 93c, owing to reports that the ore was again encountered on the seventh level. Toward noon sales were made at 94c. The afternoon session being not so buoyant. Tonopah Merger showed little strength, sales being made at 90c. We certainly look for this stock to rise. North Star hovered around the sixties and caused very little comment. Holders of North Star stock had better watch the market closely

SUFFRAGETTES ACTIVE WITH DEADLY BOMBS

(By Associated Press.)
 LONDON, May 14.—Suffragette bombs were found today in passenger cars of the Southwestern railway. No explosions occurred, and the bombs were given to the police.
 A bomb addressed to Henry Curtis Bennett, the police magistrate hearing the trial of the suffragette leaders, was delivered to the police court by a mail carrier. The court officers were suspicious and put the bomb in water. The package contained gunpowder, shot and cartridges and was arranged to explode when opened.
 The arson squad burned a large untenanted residence last night. The trials of the suffragette leaders is bringing out striking evidence as to the extensive operations of the militants and the effect is believed to be the cause of the additional outrages.

FOR DELICATE CHILDREN

A Mother's Letter to Mothers.
 Mrs. E. W. Cooper of Bloomfield, N. J., says: "My child, seven years old, had a bad cold and was weak and quite run down in health. She had been in this condition for about six weeks when I began giving her Vinol. It was a wonderful help to the child, breaking up her cold quickly and building up her strength beside. I have also found Vinol a most excellent tonic for keeping up the children's strength during a siege of whooping cough."
 Vinol is a wonderful combination of two world-famed tonics—the medicinal body building elements of cod liver oil and iron for the blood, therefore it is a perfectly safe medicine for children, because it is not a patent medicine, everything in it is printed on every package, so mothers may know what they are giving their little ones.
 Therefore we ask every mother of a weak, sickly or ailing child in this vicinity to try Vinol on our guarantee—Miners Drug Store, Inc., Tonopah, Nev.

NOBODY CAN TELL IF YOU DARKEN GRAY, FADED HAIR WITH SAGE TEA

DRUGGIST SAYS WHEN MIXED WITH SULPHUR PREVENTS DANDRUFF AND FALLING HAIR

Common garden sage brewed into a heavy tea with sulphur and alcohol added, then left to age and carefully filtered will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching, and falling hair.

Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot of
